Blessed be Your name in the land that is plentiful
Where the streams of abundance flow
Blessed be Your name

And blessed be Your name when I'm found in the desert place
Though I walk through the wilderness
Blessed be Your name

Every blessing You pour out I'll turn back to praise
And when the darkness closes in, Lord still I will say

Blessed be the name of the Lord
Blessed be Your name
Blessed be the name of the Lord
Blessed be Your glorious name

Blessed be Your name when the sun's shining down on me
When the world's all as it should be
Blessed be Your name

And blessed be Your name on the road marked with suffering
Though there's pain in the offering
Blessed be Your name

You give and take away
You give and take away
My heart will choose to say
Lord, blessed be Your name
BLESSED BE YOUR NAME (CAPO 2)

Who has told every lightning bolt
where it should go?
Or seen heavenly storehouses laden with snow?
Who imagined the sun
and gives source to its light?
Yet conceals it to bring us
the coolness of night
None can fathom . . .

Indescribable, uncontainable
You place the stars in the sky

You are amazing, God
Incomparable, unchangeable
You see the depths of my heart
